Dedication

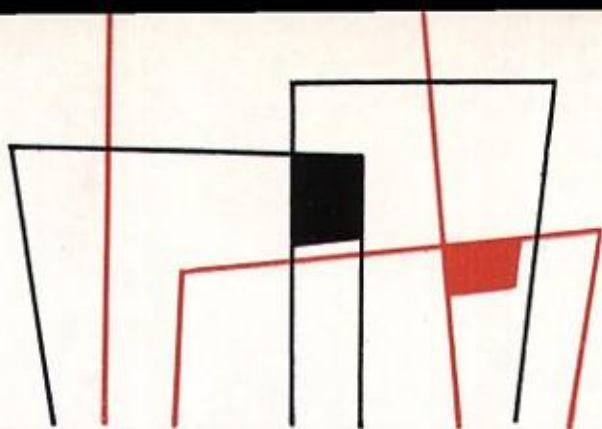

In tribute to our friend and teacher, the Senior Class of 1959 dedicates this edition of the Tiger Lily to Mrs. Margaret Tronetti, the girls physical education teacher.

Through the cheerleaders and other activities, she has promoted good sportsmanship for Port Allegany Union High School. Her enthusiasm has inspired students to loyalty and faith in their school and has earned her high esteem from the entire student body.

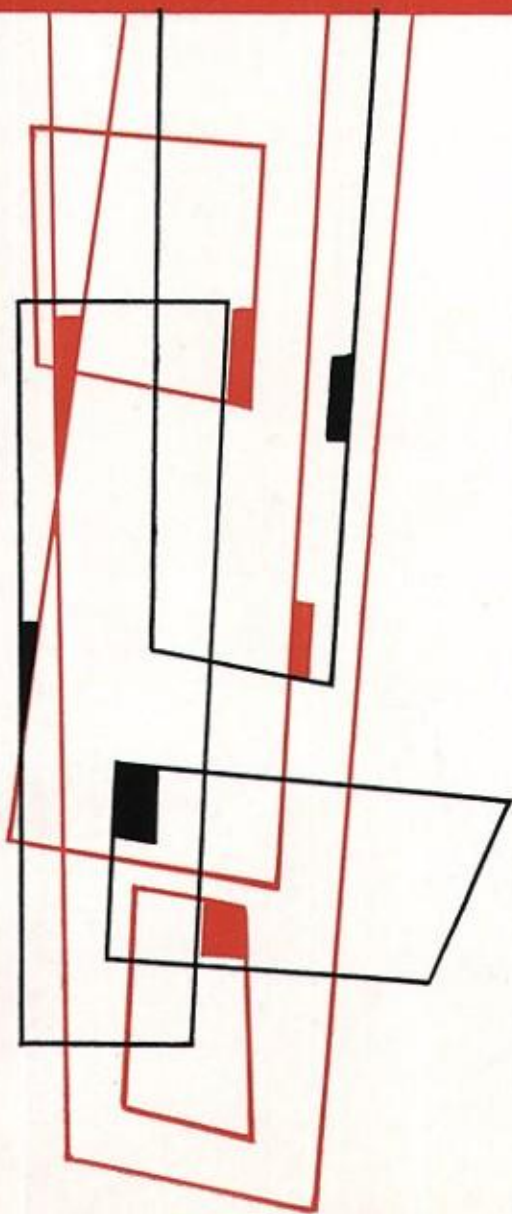

Presented in the second section of our book is the student body, consisting of the top six grades.

Because of their accomplishments, our graduating class feels that it is one of the best classes. Other classes in the school feel that their groups, too, are exceptional. This is a good attitude to have and should be characteristic of all groups.

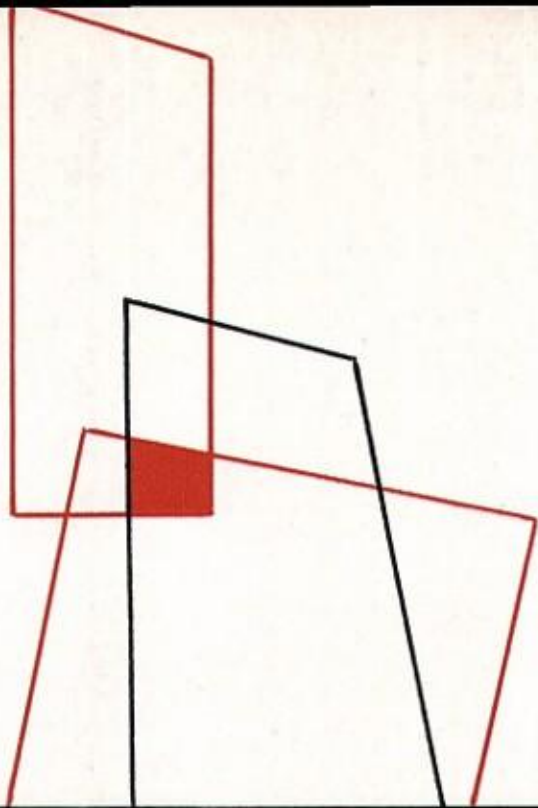

We feel that we have good classes, and a good school because of our parents, our homes, our churches, and our teachers.

our interscholastic

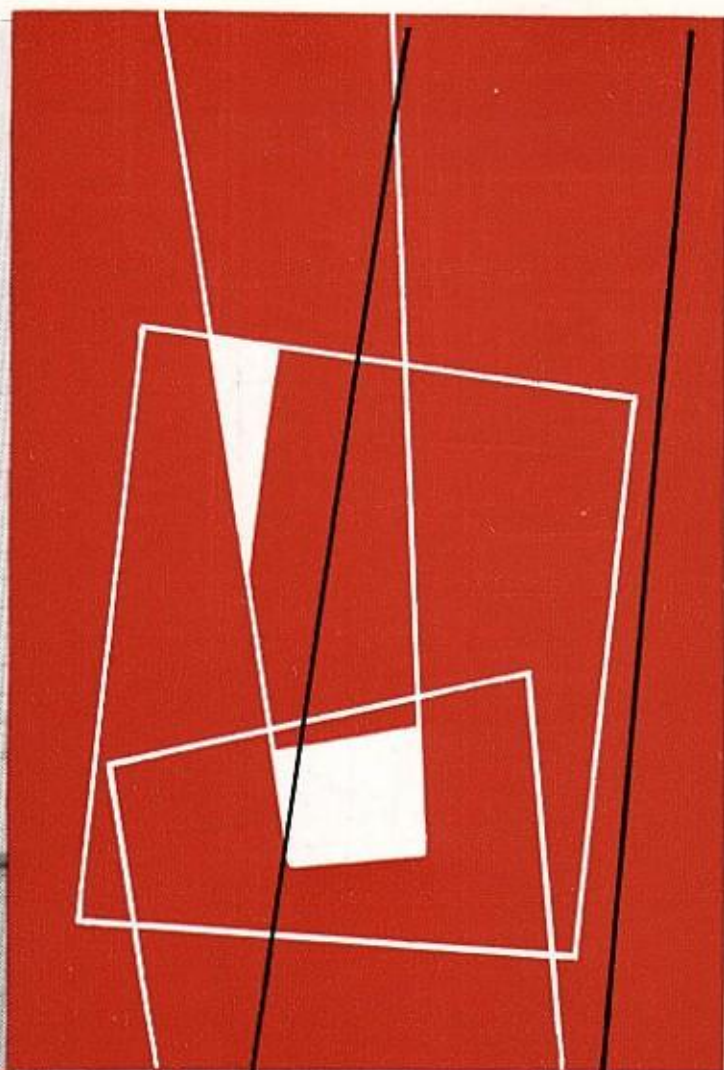

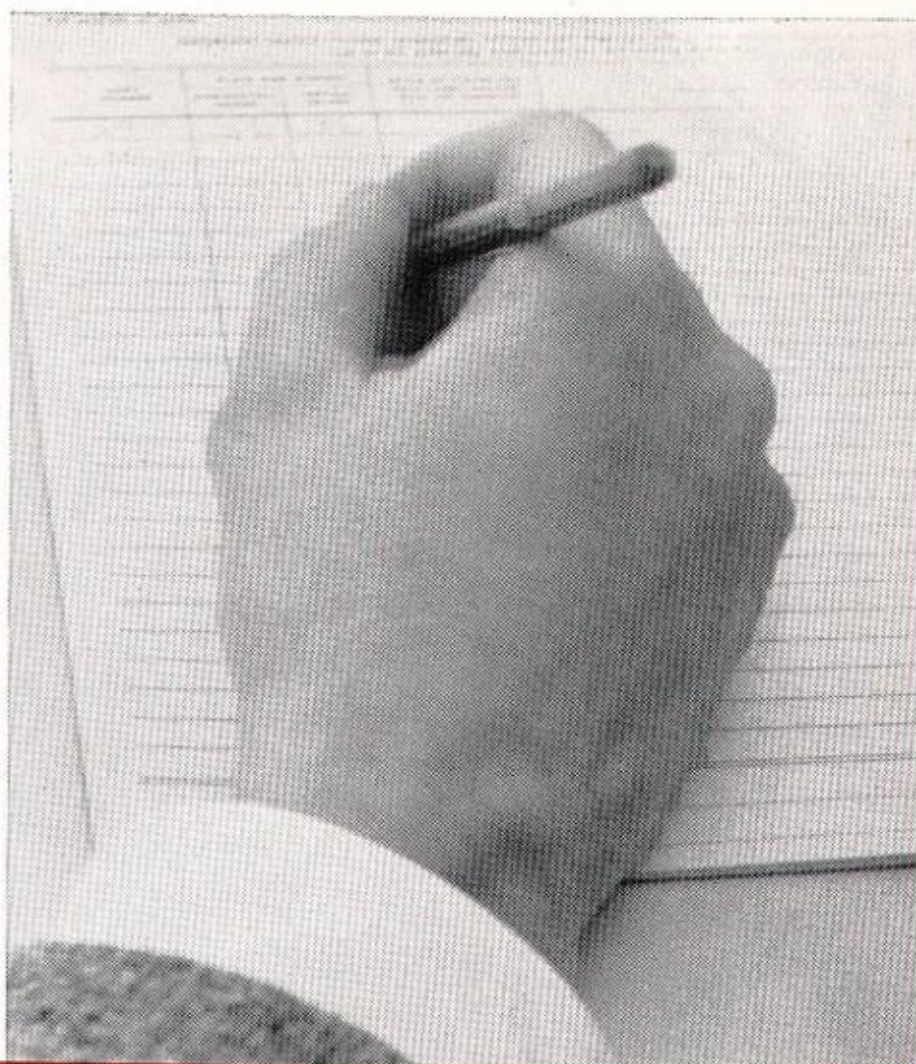

Athletics

Athletics are a basic part of any school. They instill a wholesome competitive spirit into both the players and students. No school life is complete without the existence of athletics, both interscholastic and intramural.

Athletics should be integrated into the school program, but must be recognized as an extracurricular activity and must not be allowed to defer us from the basic purpose of any school, study.

Foreword

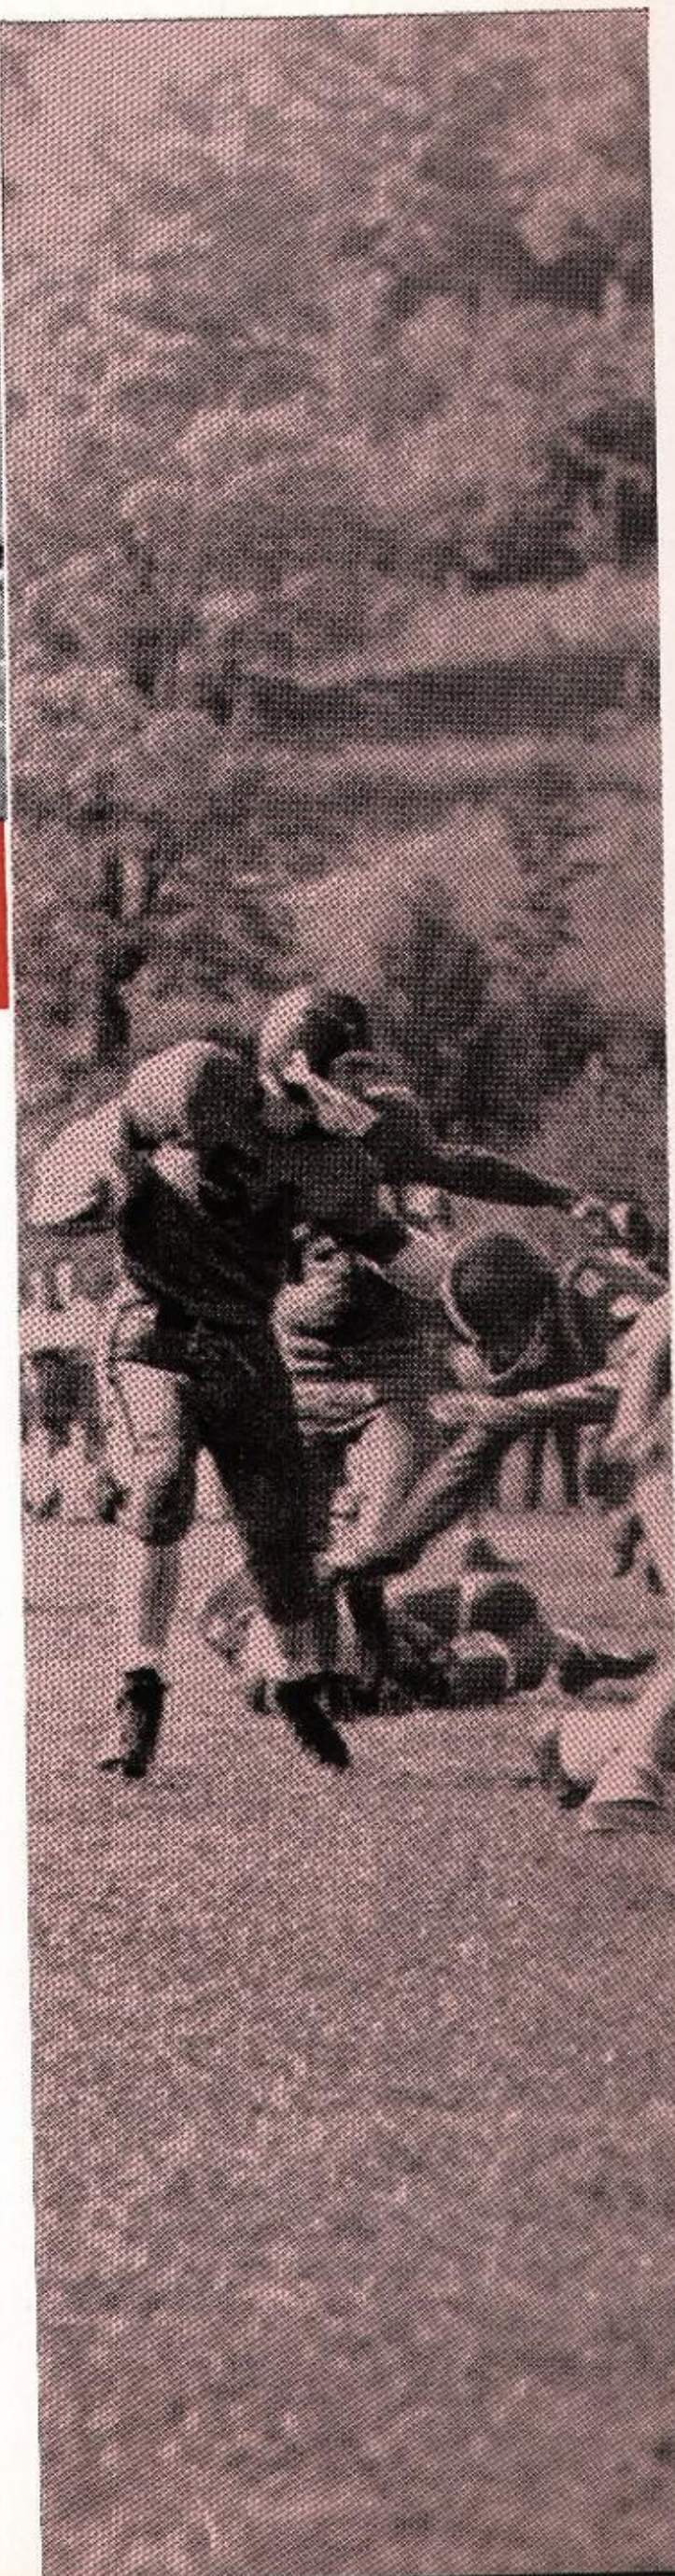

We, the Senior Class of 1959, present the Tiger Lily, the pictorial history of our faculty, our classes, our activities, and our athletics of the 1958-1959 school year. Incorporated into the history is the school philosophy, the written record of the ideas and ideals of the faculty and school administration.

BOARD OF EDUCATION

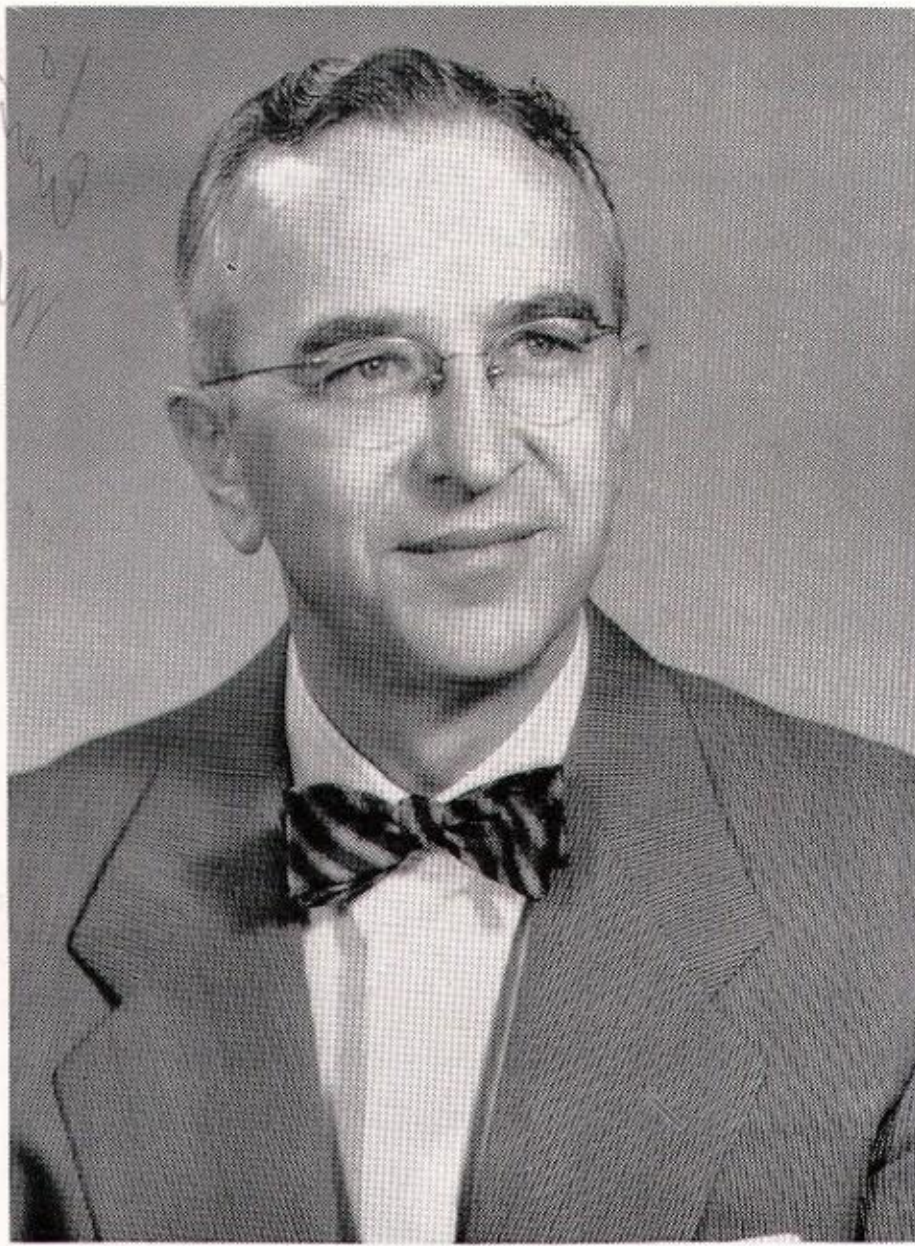

The Board of Education consists of a group of dedicated citizens serving our school without remuneration. The duties of the Board are to provide professional personnel, adequate facilities, and sufficient material to enable the school to be run on an efficient basis. It is their beliefs and ideals that are basic to the school's philosophy.

Non-member officers: Mrs. Leah Lewis, secretary; Mr. Dan Lane, treasurer.

and faculty believes that

Mr. L. H. Snader

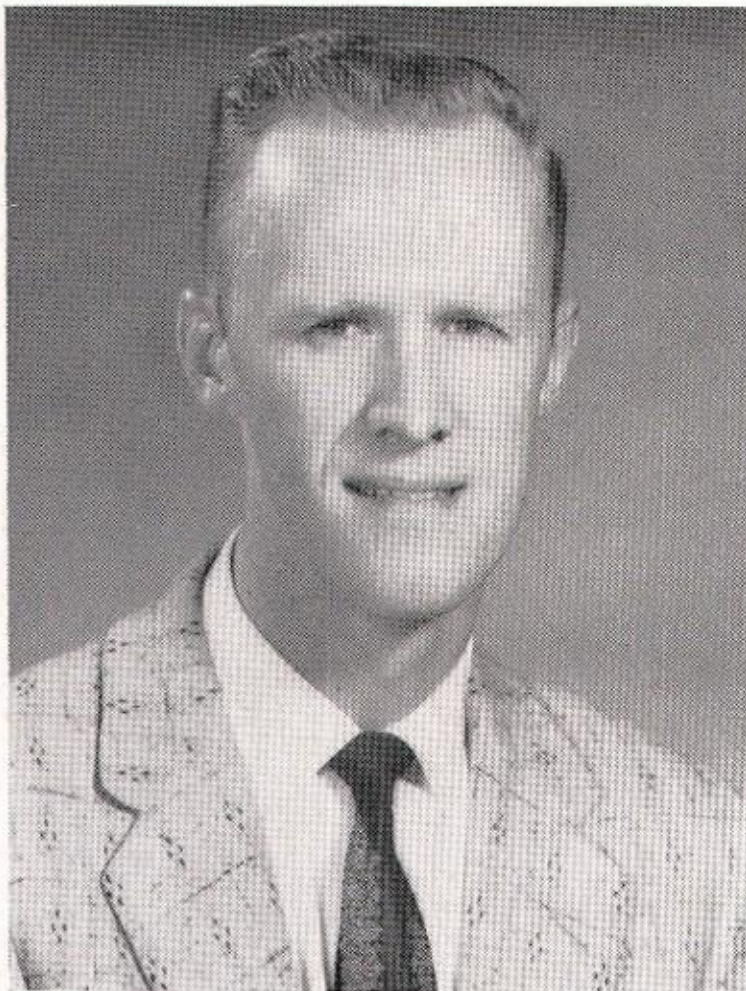

ASSOCIATE SUPERINTENDENT

Before coming to Port Allegany three years ago, Mr. Snader was the Chief of the Division of Secondary Education in the Department of Public Instruction, Harrisburg, Pennsylvania. He has held the position of mathematics teacher, athletics coach, and supervising principal in various other schools in Pennsylvania. Mr. Snader received his B.S. degree from Albright College and his M.A. from Columbia University.

Interested in all phases of school life, Mr. Snader is primarily concerned with improving the curriculum of the school. Mr. Snader should be credited for stimulating an interest in the school philosophy which was completed this year.

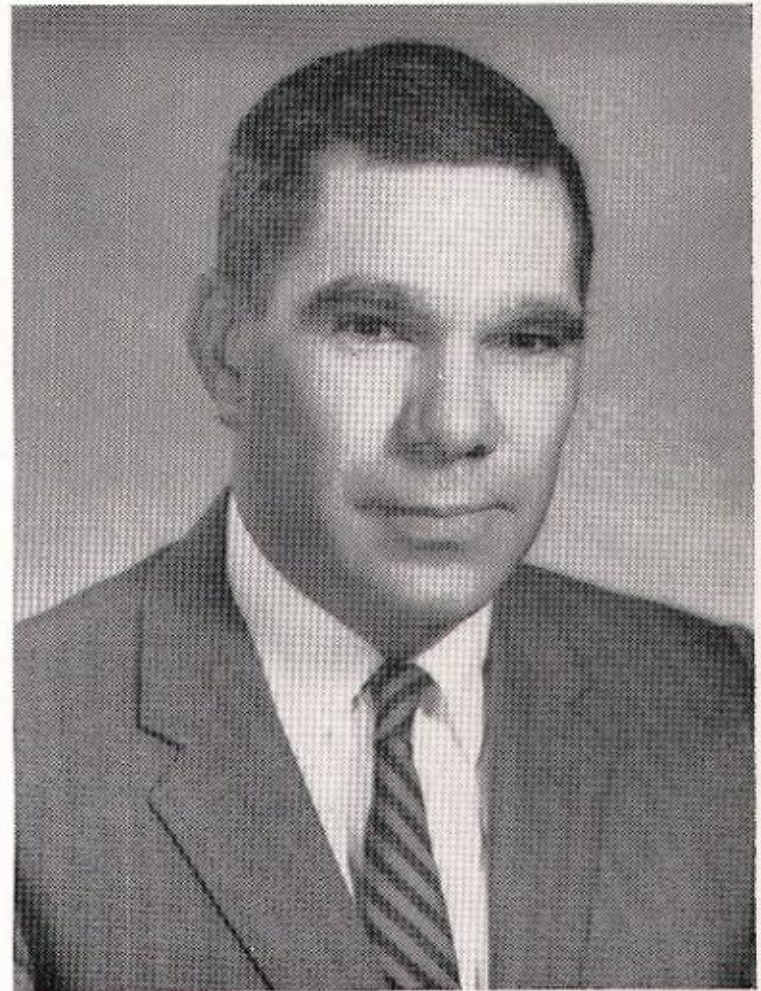

To the preceding commentary, it is necessary to add that Mr. Snader died suddenly April 14 at 12:15 a. m. as he was returning to his home from a meeting of the Board of Education.

Mr. Snader achieved the respect of his associates by his principled administration, his quiet dignity, and his rigid integrity. He was not only a spokesman for school philosophy; he attempted to implement the philosophy with positive action.

Barbara Cooper entered our school in the last half of her Freshman year. Although she was only here a little over two and a half years, she made many friends.

Enrolled in the Academic course, she maintained a high scholastic record. She was a diligent worker and a capable artist. Barbara could truthfully be called, with no stretch of the imagination, a bundle of energy. She loved athletics. She was an active member of the Art Club,

the Senior High Dramatics Club, Press Club, and Girl's Tumbling Club. She also participated in the Junior Class Play.

At the end of her Junior year, Barbara was looking forward to being on the Yearbook Staff. She was especially interested in the lay-out and art work.

We, the members of the Senior Class, feel that this book would not be complete without a memoriam to our classmate.

IN MEMORIAM

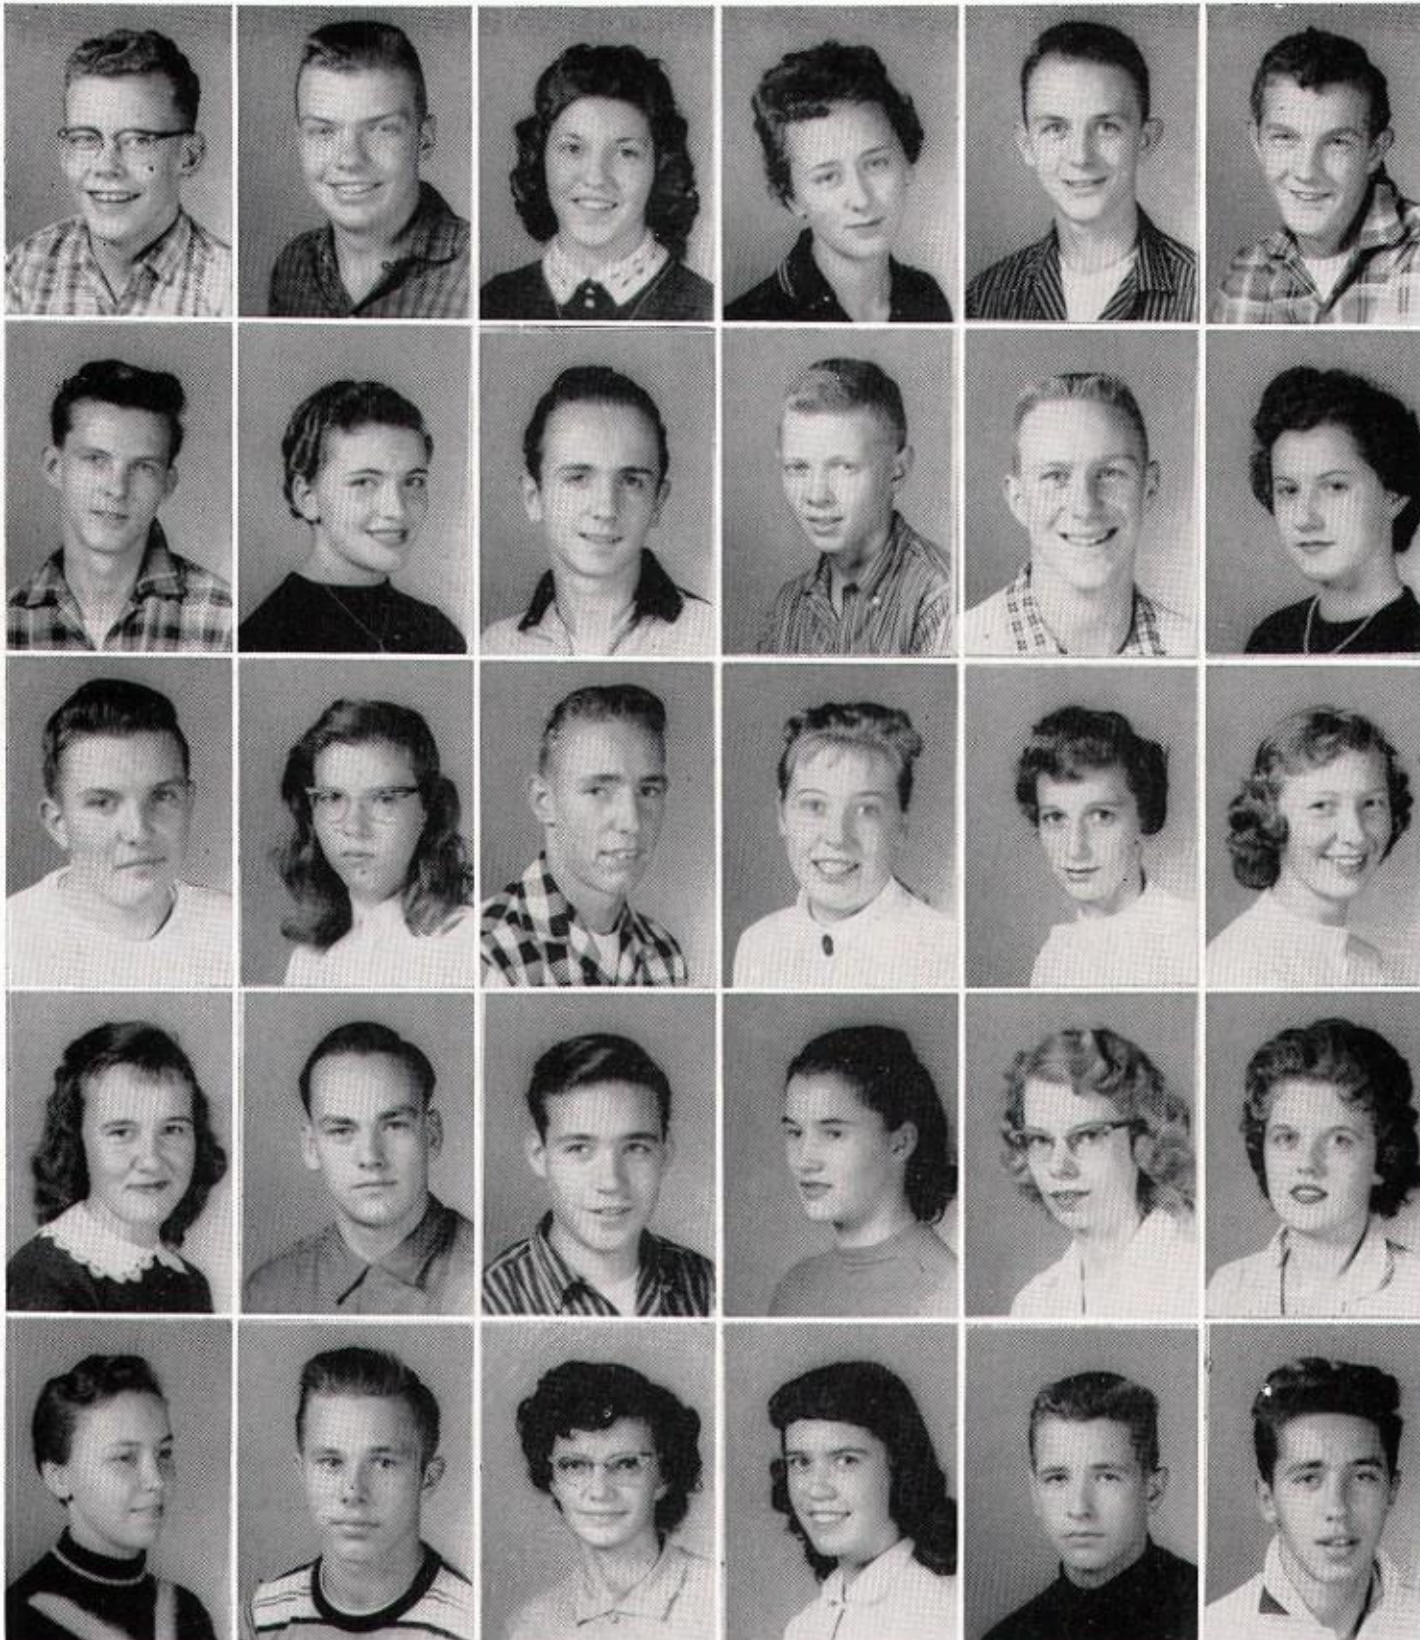

JUNIORS

The Juniors are busy earning money and planning for their Prom and Banquet. They have sold candy, magazine subscriptions, and had the basketball concession stand and many record hops after the home basketball games. They are proud to be the largest class in the Senior High School.

For the first time, the school paper was commercially printed. This venture seemed to prove worthwhile from the standpoint of both the Club and the students. The different phases of work of this organization demands that type of critical thinking essential to the successful exercise of some of our fundamental democratic beliefs.

PROM

The Junior Prom was held on May 29, 1958.

The banquet, held in the cafeteria preceding the dance, was attended by over two hundred people. After the dinner, the theme of the Prom was introduced in the lobby of the gym. The lobby was decorated as an interior of an airliner.

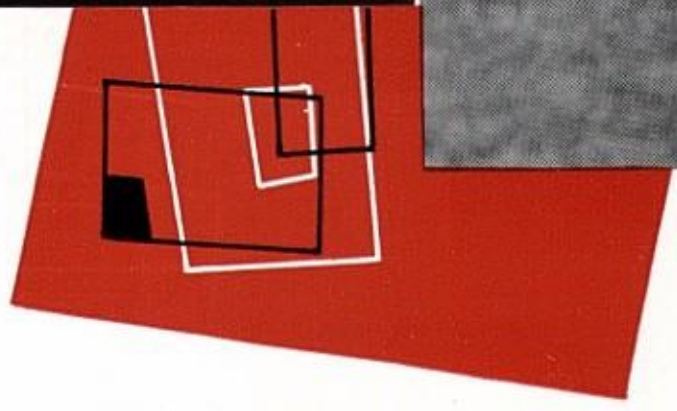

As everyone stepped off the airplane, onto a colorful tropical isle, they were welcomed by Hawaiian girls with leis. This, coupled with the blue and white decorations, created the atmosphere for the theme which was "Blue Hawaii."

Climaxing the evening was the crowning of the queen. Barbara Raymond was chosen to be the queen of the 1958 Prom, and was crowned by Bob Ireland, Junior class president. The queen's attendants were from l. to r.: Mitzi Markovs, Helen Abbey, Lois Townsend, Georgia Lilly, and Joyce Wilcox.

The 1958 Football Team

Our '58 football campaign began with a series of disappointments. The team lost three of their first four games. Perhaps the most dismal loss of the season was to Emporium whom the Gators have not defeated since 1951. Following the Emporium game, the Gators jelled. They won four and tied one of the last five games.

Undoubtedly, the hardest fought battle of the season was the Olean game. The Gators surprised the favored Huskies and played a very spirited game. This game was definitely a "moral victory" for the underdog Gators. After a scoreless opening quarter, Olean took a 7-0 lead. In the third quarter, a five yard pass play climaxed a sixty-four yard drive by the Gators and ties the score 7-7. In the final quarter, Turner intercepted a pass and behind good blocking ran 85 yards for a touchdown. Olean scored two plays before the game ended. They failed

to convert and the game ended in a 13-13 deadlock.

This year's grid campaign ended perfectly with Port's overwhelming victory over the Smethport Hubbers. From the first play of the game, an 88 yard pass, the Gators completely dominated the playing field.

For the first time in the history of Port Allegany football the Winged-T formation was put into use. The Winged-T is basically the same as the Single Wing except that the quarterback handles the ball at the beginning of each play. The new formation proved to be a success. This success resulted from long hours on the practice field and hard work by both the coaches and the players.

What success the team had was the result of team effort; however, the names Turner, Berg, Jewart, and the defensive line received the most recognition.

J. V. Football

The J. V. squad was made up of six Sophomores and fourteen Freshmen. The team, with Ronnie Johnson as quarterback, tried hard for a successful season. Tom Jewart, Keith Hildreth, John Benson, and Ronnie Johnson gave great indication for future varsity members. Freshman members look for their second year with greater anticipation.

JUNIOR VARSITY CHEERLEADERS

To the cheerleaders falls the task of leading spectators in cheers, and heightening the morale and enthusiasm of the teams. They follow the teams, carry on full time publicity for them; and strive to produce a sportsmanlike attitude in the student body.

The 1958-59 Basketball Season

In the beginning of the 1958-59 basketball season, Mr. Witowski had two lettermen returning from last year's team. They were Jim Turner, a 6' 4" Senior and Ralph Berg, a 6' 5" Junior. To round out the starting five, Mr. Witowski chose Duane Gregg, a 6' 3" Sophomore, along with Duane Jewart and Fred Briggs, both of whom were Seniors.

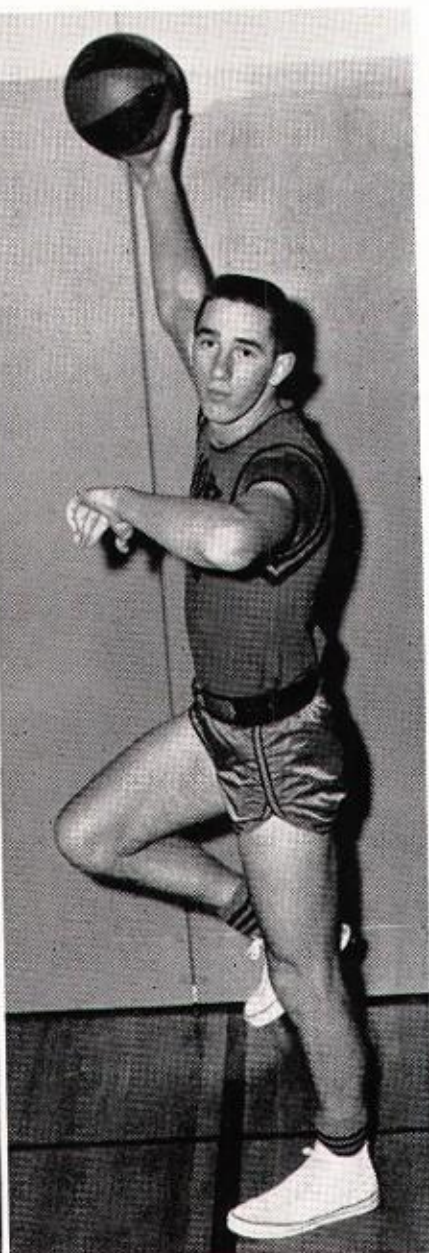

The Gators compiled a 16-5 record during the course of the season. Through hard work and a will to win, they regained the Northern Tier Championship with a fine 8-0 record. The team found competition tough in the Mt. League and as a result, lost four of their games here. However, the Gators played well and were a team to be proud of throughout the season.

Jim Turner and Ralph Berg were named as our representatives on both the North Tier and Allegany Mountain League All Star teams.

J. V. Basketball

With Mr. Hallstrom in his second year as coach, the J. V. Basketball Team did very well. As the season progressed, they improved with every game. The players that showed an indication of future varsity participation were: Bob Hovis, Bob Wykoff, Ronnie Johnston, Alan Bates, and Keith Hildreth. Practicing throughout the summer, the team should improve their winning record.

TRACK

For the first time in the history of Port High, our track team became champions of the County and the District. Led by captain Larry Hildreth, they had a record of four wins in their schedule of three dual meets and two triangular meets. The cindermen finished with the County and District victories.

An all-time point scoring record was set by Gerald Baker. This record is for the whole season and is 136 points. Gerald, who is pictured on the right, competed in the broad jump, the high jump, and the discus. He finished his high school track with the State Meet and scored as follows: second place in the high jump, third place in the broad jump, and third place in the discus.

One of the sophomores competing for the first time was Orville Barber. Orville's two events were the broad jump and the pole-vault. He is in the second picture.

Competing in the 180 yd. low hurdles, the javelin, and the half-mile relay was two-year letterman, Tom Buckheit. His specialty was the hurdles. Tom is pictured third from the top.

Larry Cady competed in the half-mile and the mile relay. Gerry Tauscher's events were the 440, the mile, and the mile-relay. These two senior members of the 1958 track team are in the bottom picture.

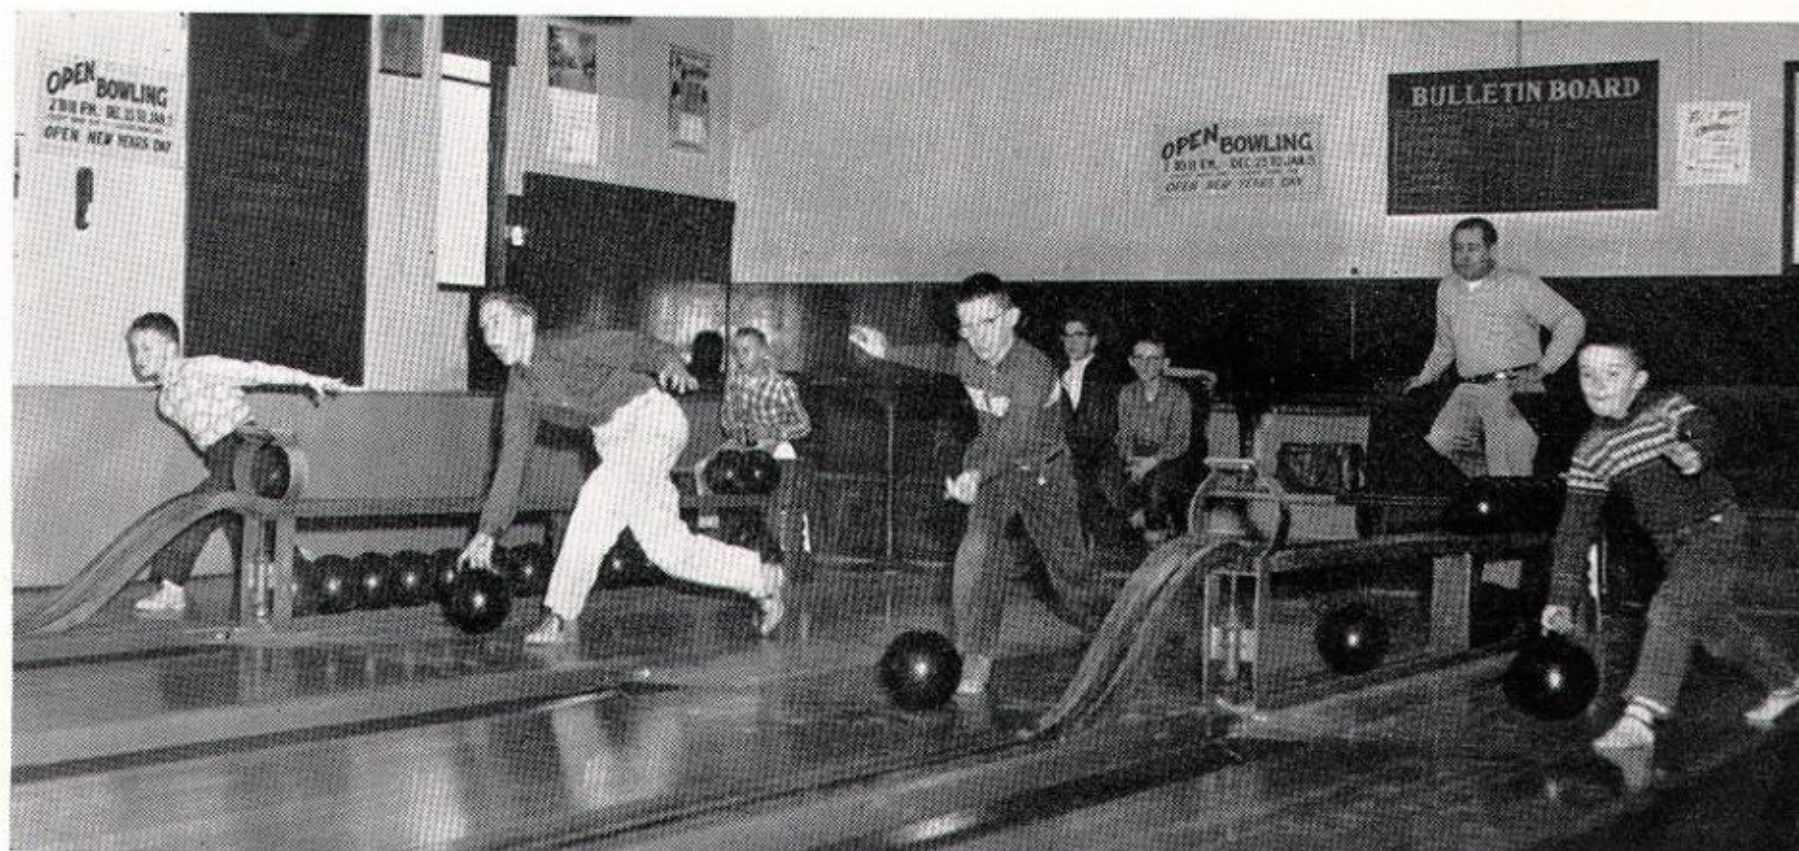

Other point winners at the State Meet were:
Larry Hildreth—4th place in the 220 yard dash,
4th place in the 100 yard dash.
Ralph Berg—2nd place in the discus throw.

BOWLING

Under the able direction of Mr. Brown the boys' bowling league became a great success. The boys met at the alleys on Saturdays where they received instruction and bowled on their respective teams. It is hoped that in the future other schools will be enlisted for competition.

Directed by Mrs. Tronetti, the swimming season opened on Memorial Day. During the summer the following classes were taught: Beginners, Intermediate, Advanced, Diving, Junior Life Saving, Senior Life Saving, and Adult Swimming. The swimming program is conducted by the Community Park Association.
